

Draft Agenda for the Meeting of the
Unified Synthesis Product: Global Climate Change Impacts in the United States
J. Erik Jonsson Center of the National Academies
14 Quissett Avenue
Woods Hole, MA 02543
August 21 – August 22, 2008

Note: Jonsson Center meetings tend to be fairly informal and the breakout rooms in the main building are a bit of a walk from the Carriage House where we will be meeting in plenary, so comfortable clothes are in order.
